

Sustainable Development Report 2023

PERFORMANCE DATA

Performance Data Collection and Calculation Method

Our general approach is to request data owners to confirm the accuracy of their data either through documented evidence or past operational performance. The data was approved and checked for any material errors both internally and externally

ECONOMIC PERFORMANCE

	Unit	HAECO Group Total
Business Performance		
Economic value generated = (1)	HK\$ 'M	17,865
Economic value distributed = (2)	HK\$ 'M	16,977
Economic value retained = (1) - (2)	HK\$ 'M	888

Notes:

1. Economic value generated (1) includes revenue, finance income, other net gains (or losses) and share of after-tax results of joint venture companies.
2. Economic value distributed (2) includes operating costs, employee wages and benefits, payments to providers of capital, finance charges, payments to government (excluding deferred taxes) and community investments.
